## QHSE Policy

We, at MEPCO are strongly committed to provide

- our customers consistently good Quality product and reliable services,
- the communities around us a protected environment
- our employees a safe environment to work with
- our regulators a stringent compliance to applicable regulations.

Customer satisfaction, employee wellbeing, environmental protection, continual improvement, innovation, business ethics and excellence are the cardinal principles of our corporate philosophy.

Our policies include adopting environmentally safe technology and processes, continuous upgradation of skill and competence of our employees, reduction and recycling of waste, minimizing the use of natural resources, stringent adherence to systems, standards and regulations. Propagate safe working, measure, monitor and improve our performance, maintain transparency with the communities around us and provide pertinent information to them etc.

We adopt an integrated approach in managing Quality, Environment and Safety.

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke, positioned above a solid blue horizontal line.
